**Subject: Removal of Personal Belongings from Common Areas**

Dear Residents,

To maintain a clean, safe, and obstruction-free environment in our society, all residents are strictly prohibited from keeping personal belongings in the common corridor areas. This includes, but is not limited to:

- Flower pots
- Bicycles
- Furniture
- Any other personal items

**Immediate Action Required:**

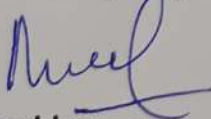

All residents are requested to remove their personal belongings from the common areas within the next **7 days**. After this deadline, the society management will remove any remaining items without further notice, and they will not be the responsibility of the management.

Also, there are many bicycles in the dump area near Mother Dairy, it is requested to check and maintain your bicycle if it is in dump area. If no one claims the bicycles, they will be disposed as scrap and no claim will be entertained.

This measure is essential to ensure the safety and convenience of all residents. Your prompt cooperation is not only expected but appreciated.

For any clarifications, please contact the society office. Let's work together to keep our community organized and welcoming.

Warm regards,

**President**
